Letter No. C.1-1165-1 of 26th Nov. 1934 from the Surgeon General with the Govt. of India, Senior Surgeon forwarding the representation of Mr. B. Nanjappa, Medical Officer, Victoria Hospital, Bangalore, requesting that he may be promoted as II Grade Surgeon on Rs. 700-50-800 New Scale from 3-12-1934 & recommending that he may be given the old scale of pay viz. Rs. 700-50-800 I Grade (II) Rs. 500-25-700 (I) Rs. 250-25-300 from 3.12.1933 as a special case.

Subd

Mr. Nanjappa is a Surgeon, Third class in the Grade Rs. 550-25-700 and is in receipt of Rs. 675 + DA. 100 + A 50. Since 1st February 1934.

Now the Senior Surgeon recommends that he may be promoted as Second Class Surgeon on Rs. 700-50-800 from 3.12.1933, the date on which Mr. J. Noronha attained superannuation. The Sanctioned scale in that class is two and Two officers viz. Dr Pullanna and Mr Noronha are already working. Therefore there is no Vacancy available.

The Senior Surgeons contention is that Mr Nanjappa would have been promoted to the Second Grade one year ago but for the forced continuance of Mr Noronha in service. It may also be stated that he has also recommended separately that the services of Mr Noronha may be extended for a further period of one year.

I The recommendation to give Mr Nanjappa the scale pay i.e. Rs. 700-50-800 from 3/12/33

3) The recommendation has been apparently made on the basis of the scales in existence before the recent × re-organization. The altered position is indicated below: —

× G.O. d 5.11.34 H. K.

No. in grade	Old Scales		New Scale	
(1)	Rs 800-50-900	I Class	No. in grade.

(3)	550-25-700	III		
6	(Dr Ranjappa is most senior in this grade)			

The rank of Mr. B. Ranjappa is 4th in the Cadre of Surgeons, the persons above him being Dr. B.K. Narayana Rao (800-900) (I), Dr. D.S. Puttanna (700-800) (II) and Dr. F. Noronha (700-800) (II). If Dr Noronha had retired on immediately on his attaining 55 years, Dr Ranjappa might have been promoted to grade Rs 700-50-800 from 3-12-1933. His request is that his prospects should not be adversely affected by the grant of extension of service to Dr Noronha, & the Senr. Surgeon recommends his request as a special case.

4) [If the new scale be given effect to, Mr. B. Ranjappa would be in grade 500-50/2-750. & may get Rs 700 from 1-2-1935]

6) Two officers cannot simultaneously fill one place - The proposal of the Sr. Surgeon that both Dr. Noronha who has been given an Extension of service and Dr. Ranjappa who would have received a promotion if the former had been retired should be in the Grade 700-50-800 from 3.12.33 - as a Special Case - is obviously untenable. No doubt Dr Ranjappa ~~has~~ is prejudiced so far as his prospects are concerned by his being deprived of the chances of going up to 800 Rs as the revised grade stops with Rs 750 ~~in the ordinary~~ and by the Extension of Service given to his Senior which has blocked his promotion to the next grade. This cannot be

14) I am sorry that there is a mistake of fact in ~~this~~ my note dated 4th December 1934 in this case. I stated there that Mr. Nanjappa would in the ordinary course get Rs 700/- from 1st February 1936 and that he may as a special case be given this pay from 1st February 1935.

15) As Mr. Nanjappa is permanent in the old grade Rs 550-25-700, he will continue to earn increments in the old grade and will get Rs 700/- from 1st February 1935 in the ordinary course. His increment will not be affected by the new scale and no special concession is involved in giving it from 1st February 1935.

16) Mr. Nanjappa has been peculiarly hit by the combination of three factors:-

(1) he being the man in the top of grade Rs 550-25-700, entitled to get promotion to the next grade Rs 700-50-800.

(2) this promotion which he would have got from 3rd December 1933 if Dr. Noronha had been retired on the date he attained 55 years, being deferred by the extension given to ~~Dr.~~ Noronha ~~Nanjappa~~.

(3) this promotion being altogether lost by the grade Rs 700-800 being abolished in the new scale.

17) If any one of these had been absent he would not have been much prejudiced. The extention given to Mr. Noronha would not have permanently prejudiced him if in the meantime the new scale had not come in. The new scale would not have affected him if it had come after

This was given to me by the Fl Sec. just now This may be placed on the file

after Mr. Noronha retired and he had actually got into the higher grade. If he had not been the top man his grievance would ~~xxx~~ have been only of an academical nature. There is thus no doubt that he has been hit hard and some concession is necessary.

(8) The Senior Surgeon suggests that as a special case the old grade of Rs 700-50-800 may be continued to him from 3rd December 1933 the date on which Dr. Noronha attained the age of 55. This is open to objection. To give him the old grade as a special case is not expedient and will prove an inconvenient precedent as others may also ask for the same treatment. Further to give him this grade when there is no vacancy ~~for~~ from a past date involves payment of extra amount for a back period and is also financially not correct.

(9) In all such cases the proper way of giving relief is to fix a suitable initial salary or to give advance increments in the new grade.

(10) If Government wish to show him consideration, I would suggest that the Senior Surgeon's recommendation may be modified in the following manner, viz., to give him now as salary in the new grade the amount that he would be getting to day if ~~if~~ he had been put into the new grade on the date mentioned by the Senior Surgeon-- without giving him anything extra for back periods or definitely promising to give Rs 800 in course of time. This would mean fixing his pay at Rs 750/- in the new grade. In the ordinary course he would get Rs 700/- from 1st February 1935 and the above suggestion will give him something more

and will mitigate his hardship to some extent. Even then he loses the chance of getting Rs 800/- and higher pay up to Rs 900/- Whether as a specia case he has to be given anything more may be considered at the proper time when he has drawn Rs Rs 750 for two years (and would have been entitled to an increment if he had continued in the old grade,) if Government wish to show any further consideration to him.

Representation of Mr. B. Nanjappa, Surgeon, for increased emoluments.

These papers relate to the representation of Mr.B.Nanjappa, Surgeon, regarding his emoluments.

Prior to the reorganisation of the Medical Department, Mr. Nanjappa was Surgeon, third class (Rs.550-25-700) and was the most senior of the men in that grade. He reached the maximum of the grade on 1st February 1935. Mr. Nanjappa has represented that his prospects of promotion were retarded by the grant of extension of service to Dr. F. Noronha, Surgeon, second class, and that by the recent revision of the scales of pay in the Medical Department he has lost all chances of raising to grades which formerly carried a higher pay. He has requested that in view of the fact that he would become superannuated in about four years, he may be given the old scale of pay of second class Surgeons, viz., Rs.700-50-800 from 3rd December 1933 as a special case. The Senior Surgeon suports Mr. Nanjappa's request.

Though the grant of an extension of service to an officer above Mr. Nanjappa cannot by itself be a ground for any special concession, the other circumstances referred to above have affected his prospects to some extent. In view of the above, his case deserves some consideration. He has been drawing a pay of Rs.700 from 1st February 1935 and it is proposed to raise his pay to Rs.750 in the revised scale of Rs.500-50/2-750.

GENERAL SECRETARIAT 26 NOV. 1934

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to forward herewith for favourable consideration a representation in original, received from Mr. B. Nanjappa, M.B.C.M., Medical Officer, Victoria Hospital, Bangalore requesting that he may be considered to have been promoted ~~as~~ ~~a~~ Second Grade Surgeon on Rs.700-50-800 from 3-12-1933 the date on which Mr. F. Noronha attained superannuation and allowed to draw increments of pay in that ~~date~~ grade as this would enhance his pension.

Mr. Nanjappa is ~~the~~ senior-most officer amongst the 3rd Grade Surgeons (old scale) and he would have been promoted to the Second Grade on Rs.700-50-800 one year ago but for the fact that Mr. Noronha had to be continued in service in the interests of the Mental Hospital. In view of these circumstances, I would recommend that Mr. Nanjappa may be given the old scale of pay viz., Rs.700-50-800 from 3-12-1933 as a special case.

I have the honour to be,

Sir,

Your most obedient servant,

DR. S. SUBBA RAO, B.A., M.B., C.M., M.R.C.S., (ENG.), L.R.C.P., D.P.H.,
Senior Surgeon with the Government of His Highness the Maharaja of Mysore, Bangalore.

SIR,

I have the honour to request your kind permission to place before you the following facts for your kind and favourable consideration.

K

The Government in their order No.Fl.4046-8 S & A 297-34 dated 5-11-1934 have sanctioned the revised scales of pay of the officers in the Medical Department, and in view of the future allocation of officers, which is to come into force, I might eventually be placed as a Surgeon first class and reach maximum pay of Rs.750/-.

According to my rank in the Civil List, I am just below Dr. F. Naronha, Superintendent, Mental Hospital, Bangalore; and in the usual course of events if Dr. Naronha had been permitted to retire immediately after attaining superannuation, I would have been promoted to Surgeon 2nd. Class on a pay of Rs.700-50-800 and by 3-12-1934 (a fortnight later from this date) I would have drawn Rs.750/- and a year later reached the maximum of Rs.800/ and ultimately retired on a pension of Rs.400/-. Simply because an extension of service was granted to an officer above me, I should not un-necessarily be made to suffer on this account. I may kindly be permitted to point out to you, Sir, that I have got only 4 years service more, and on two occasions I have acted in the higher grade (700-800) I request you, therefore, to kindly view my case with your kindness and sympathy and commend to Government to place me in the Grade of pay as Surgeon 2nd.class

according

according to old scale, as a special case, as I am the only person that is made to suffer on account of the new scale both in pay and prospect of pension. By this act the scale of pay of the Medical Officer, Victoria Hospital, will be in uniformity with that of the Medical Officers of the Maternity and Minto Ophthalmic Hospitals.
